

POLICY #2009-02-33

**MUNICIPALITY OF THE COUNTY OF PICTOU
INDIVIDUAL SEWER GRINDER PUMPS MAINTENANCE POLICY**

The Municipality of the County of Pictou hereby enacts the following maintenance policy for individual sewer grinder pumps and pressure sewer systems to be used in the Municipality of the County of Pictou:

Where the Municipal Engineer deems that sewer service to individual properties is to be completed with the use of an individual grinder pump and a pressure sewer system,

1. The pump core and alarm panel shall be covered for manufacturer defects by the manufacturer for a period determined at the time of purchase from the supplier of the pumps to the Municipality.
2. The Municipality shall extend the same conditions of the manufacturer's warranty for an additional period of time, said time not exceeding 15 years from the time the pump is first put into service or that service was deemed to be provided to property.

REPEAL

All former policies and/or practices heretofore enacted with respect to maintenance of individual sewer grinder pumps are hereby repealed.
