

**MUNICIPALITY OF THE COUNTY OF PICTOU
CONSTRUCTION TENDERS SAFETY RECOGNITION POLICY**

PURPOSE

To establish a uniform policy for the recognition of safety certifications for construction tenders awarded by the Municipality of the County of Pictou.

POLICY

Effective July 3, 2001, all firms or businesses tendering for construction projects within the Municipality of the County of Pictou shall have, or show proof that they are in the process of receiving a Certificate of Recognition from a safety training organization accredited by the Nova Scotia Department of Environment & Labour to provide such recognition.

All other policies with respect to construction tenders safety recognition, including the resolution of Council dated August 6, 1996, are hereby repealed.
